ADULT BAPTISM

To experience as an adult, the desire to be baptized, is to have had the same experience of those who came to know Jesus as He went about preaching and teaching the Good News.

What a beautiful journey it is to come to faith for the first time as an adult! Just as with any journey to a place we have never been, there may be uncertainty and that is very natural. Any adult (18 or older) who may be interested is invited to "come and experience" for a few sessions and not feel in any way obligated.

"Like a flowing spring, so my soul longs for You, O my God."
Psalm 63

Adult Spirituality is the longing of the soul for God. Like a flowing river, the soul is drawn toward the Eternal One, God. A life that stands still is stagnant, just as a river that has no outlet. From the scriptures, we find the desire of the soul for God.

Please call Sr. Georgette Dublino at the Center for Spiritual Development at (201)767-8247 to talk about baptism. It will be wonderful to share with you.
